

Due to recent events in the news, we have been focusing in assemblies

Cherry Orchard Newsletter End of year 2017

Year 6 have wowed the school with their performance of Alice in Wonderland- we are so proud of each and every one of you

Cherry Orchard spoke at the London Healthy Schools London Celebration Event. The feedback from City Hall states: 'Your pupils were confident and articulate and a real example of the 'pupil voice' that you encourage at school. Congratulations to you all!'

Fire drill

We had our termly fire drill, and evacuated the buildings in 1 minute and 15 seconds. We then carried on the evacuation to Charlton Manor Primary School and completed the whole school drill, there in 15 minutes. Every single child was a credit to Cherry Orchard.

Have a wonderful Summer break and we look forward to welcoming you back in September

Joanne McCartney (Deputy Mayor of London) visited the school on 5th July.

Feedback from the Senior policy officer states:

‘Cherry Orchard is such an amazing school and it was lovely to meet all the students! Well done for all your hard work, Joanne was really impressed’
(there is a full article in the Greenwich Mercury)

Notices from the office:

From September we are not phoning parents to chase up forgotten PE/swimming kits, or trip letters (if your child does not bring in the return slip, they will not go on the trip)

From September ALL dinner money must be paid in advance (£10 per week)
