

## Cherry Orchard Newsletter Summer Term 2018

The whole school delighted in our Easter bonnet parade and there were some truly fabulous hats on show!

Thank you very much to all staff who donated to the raffle...we raised £194.60 for school funds (which will go towards enriching the curriculum)

## Celebrating diversity with Amnesty International at Charlton Athletic Football club

Cherry Orchard representatives had an amazing afternoon at the 'Charlton Community day of action' where they participated in workshops and listened to inspirational speakers

### Attendance:

Well done to the classes who are getting 100% attendance at the moment-you are superstars! Whole school attendance is rising again and is currently at 97.1%-keep it up

I would like to remind parents that holidays during term time are not authorised.

We now have an online school shop...you can order and pay for uniform from the school website.

### ParentPay:

**All parents must be signed up by July-all school meals, uniform and trips can be paid for promptly using this service, from the comfort of your home!**

School funds paid for a 'junk orchestra' to visit our school, and every child had a chance to perform...and I think we have found more talented musicians in our school...well done everyone!

I am delighted to report that we have now received our bronze level 'Rights Respecting Schools' award.

Well done to our school council and Mrs Lloyd for their dedication to this.

Your children will be learning more and more about the 'Unicef rights of children'

As a small part of this, we are members of 'Votes for schools which is an online resource where students make an informed vote on the weekly VoteTopic. Pupil Voice is captured through participation in democratic practice and debate.

Teachers receive results, anonymised and owned by the school. The results can be looked at in terms of gender or year group, and they can then be looked at compared to the school as a whole. We will also be able to compare our school results with the National result.

The question that we are debating this week is:

Do rich people give enough money to charity?
